BOOKCASE / Sophia

✚ The SOPHIA range reinvents the library by offering a modular and customizable concept that adapts to all your needs, creating unique and tailor-made storage spaces

✚ First, choose the frame of your library from three elegant finishes: **White**, **Jackson Oak**, or **Roasted Elm**. Then, personalize it by selecting doors according to your preferences: solid doors for a sober look, framed doors for a charming atmosphere, glass doors for a design touch, or opt for a clean style by leaving the shelves open.

✚ Whether in the living room, bedroom, or even the office, the Sophia range adapts to all spaces. The different sizes of units and columns allow you to compose furniture that optimizes every corner of your interior while combining functionality and style. Moreover, it is easy to mix these elements with other ranges like Ewen, Sophia TV furniture, etc.

✚ With its clean lines and refined finishes, the Sophia range exudes modernity while remaining warm. Whether you opt for light tones or darker woods, this library integrates perfectly into all types of decoration.

Kitchen / Wave

✦ Discover our WAVE kitchen, where the boldness of grey meets the authenticity of oak, creating a perfect blend of modernity and tradition, where contemporary style meets timeless elegance.

✦ Redefine the space in your kitchen with not one, but 3 central islands. These multi-purpose areas provide extra space for meal preparation, creating a convivial meeting point for your family and friends.

✦ Wave includes a dedicated space for the oven, harmoniously integrated for practical use. The 11 modular elements allow you to organise your utensils and provisions with maximum efficiency, while the two worktops in traditional rustic style add character to the composition.

✦ The combination of deep **Aran Grey** and **Natural Oak** creates an aesthetic that exudes rustic charm. The oak-coloured edgings add a subtle visual dimension, while the worktop in Raw Oak veneer with a raw oak solid wood panel lends authenticity to the space, creating a traditional ambience with a modern twist.

*The products are made in particleboard with a thickness of 16mm
Roller runners on drawers and pot-and-pan drawers with shock-absorbing system.*
